I acknowledge and understand that no guarantee has been made to me as to the results that may be obtained from such treatment.

### RELEASE OF INFORMATION

I authorize Twin Boro Physical Therapy to release information from my medical record, whether it be written, video, photographic, audio or verbal, to my physician and/or any third-party payor or other entity providing payment for my health care (such as insurance company, employer, or governmental agency) for its use in processing claims for payment. I understand the nature of the authorization and have been informed that I have the right to revoke consent at any time by written communication with custodians of records. Dear Patient,

Welcome to our practice. Thank you for your confidence and trust in scheduling an appointment with our clinic. We are always dedicated to quality care for all our patients and we are always here to discuss your problems and find together the most appropriate solution. Our office patient policies are as follows. Please read carefully the following policies and sign below.

### GENERAL OFFICE POLICIES

- 1) We require 24 hours notice in the event of a cancellation. It is your responsibility when you call in ***to have an alternative time in mind that will ensure you receive your full prescribed number of treatments that week whenever possible.***
- 2) There is a **\$25.00** charge for a no show or cancellation without proper notice. This charge will not be covered by your insurance company, and will have to be paid by you personally.
- 3) You should understand that when you no-show, three people get hurt: 1) yourself, because you are not receiving the treatment you need as prescribed by the doctor and our staff, 2) the therapist, who now has a "vacancy" in their schedule since the time was personally reserved for you, and 3) another patient, who could have been scheduled for treatment if you had given us proper notice.
- 4) **Regarding Lateness:** If you are late, we may not be able to provide your full treatment.
- 5) **Regarding Being Early:** We will do our best to get you in as soon as possible. Most of the time you'll have to wait until your scheduled time to be seen because there are other patients who are still in treatment.
- 6) Please understand that your insurance policy is a contract between you and your insurance company. While we may accept your insurance as payment, your contract with us is a separate agreement. In other words, if your insurance refuses to cover a certain treatment or otherwise fails to pay us, your contract with us still exists and you are responsible for payment personally.
- 7) **Co-pays, deductibles, and self-pay payments** are due at the time of service. We accept Mastercard, Visa, cash, check or money order **only**.
- 8) We will assist with a budgeted payment plan based on individual need. In any event, if you request such a plan, this will be set up directly with our practice billing department.
- 9) If at any point you have a problem regarding billing and payment please speak with the Office Coordinator of the clinic.

***After you have read carefully the above, please sign the following:***

I, \_\_\_\_\_, agree to be treated in this Physical Therapy clinic by the Physical Therapist and their staff and I also agree with the terms specified above.
